OUR MISSION:

The mission of A-Best Fire and Security is to deliver exceptional service and value to you, our customer. We offer smart solutions giving you the peace of mind you deserve. The wisdom of A-Best Fire and Security guarantees that we never forget our most important job – serving you our customer. So, if you are looking for reliability and personalized service make A-Best Fire your first choice for your fire alarm and security needs.

WHO WE ARE:

A-Best Fire & Security Inc. is a fast-growing privately held Fire and Security Alarm maintenance and installation company serving South Florida.

A-Best Fire is founded and owned by Fred Drummond, a state licensed Fire Alarm contractor since 1993. Fred Drummond brings over 20 years of experience to this business. Certainly not newcomer to the Fire Alarm and Security business, in 2000, Fred Drummond sold his first company: Megatron Fire and Security Inc.; a business which also provided first rate Fire Alarm and Security services. All employees at A-Best Fire are FASA certified.
